LOOSE PARISH COUNCIL

LOOSE NEIGHBOURHOOD PLAN REFERENDUM

8th AUGUST 2019

After several years of public engagement and drafting by the Parish Council the Loose Neighbourhood Plan has reached referendum stage. Residents of Loose parish are entitled and encouraged to vote.

A “yes” vote will see the plan considered by Maidstone Borough to become part of its Development Plan. It will then be used in conjunction with other planning documents for determination of planning applications in Loose. It reflects the views of residents and stakeholders made during the engagement process.

The Parish Council would like to see a good turnout on referendum day in support of your plan.

Please visit the pavilion (King George V Playing Field) on 8th August 2019 (7 am to 10 pm) and cast your vote. You should have received a poll card and details from the Borough Council prior to the day.

During the statutory validation of the plan the independent Examiner commented;

“There is no doubt in my view that the Plan reflects the aspirations and objectives of the Loose community for the future development of their community up to 2031.”

To view the plan visit the LPC website (loosepc.kentparishes.gov.uk).

Hard copies will be available for viewing at Maidstone Borough Council, King St., Maidstone; Loose Post Office; and, by appointment with Kim Owen, Clerk to the Loose Parish Council, Holly Glade, Pembroke Rd., Coxheath, ME17 4QJ. Tel 07855000156
